

Coming soon as a major motion picture from Columbia Pictures.

Meet Joel David Kaplan. American businessman, international playboy, gunrunner, resident of a Mexican prison.

Here, for the first time, is the full account of Kaplan's "trials, tribulations, and sensational escape from Mexican justice. . . . A good look at the world of sugar politics, gun-running, Latin American intrigue, and drug-trafficking."

—*The New York Times Book Review*

"Mystery, muckraking, human drama, and sheer derring-do — this book has them all in good measure."

—*Publishers Weekly*

"A spine-tingler."
